- Suitable to be fitted on normally inflammable surfaces

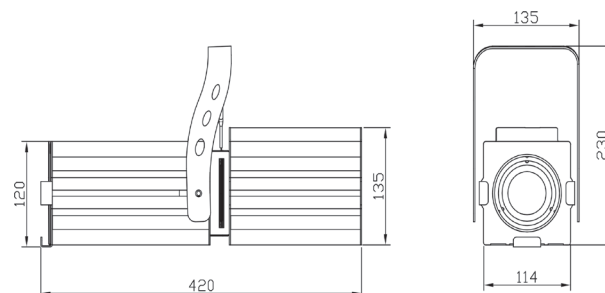

Bario LED is a mini zoom profile spotlight incorporating a 35W LED source, On/Off function with possibility to dim via cut-phase supply (Trailing Edge).

The Bario's excellent optical performance and beam control is the result of Arena Luci's well proven high quality double condenser lens zoom optical system. Suitable for commercial applications, Museums, architectural, theatres and TV studios.

Focus adjustment slide controls for diameter (from 19° to 35°), perfect focus or softness beam outline. Profile system with 4 steel shutter blades included.

Optional iris and gobo holder. Housing in extruded aluminium and steel plate body. Scratch resistant epoxy powder paint.
