

A durable self-adhesive vinyl floor covering dyed through, producing rich color matte finishes much softer and gloss finishes much shinier than paint. Flexible, easy to install and remove, its dense opacity covers any color with no drying time or toxic paint odors.

GamFloor can be applied to most horizontal and vertical smooth surfaces; concrete, vinyl, wood, painted finishes, glass and plaster. The versatile GamFloor can last for months, is easy to clean, and can be painted on and printed on*.

* Vinyl label settings. Specific printer specifications may apply.
